VOLUME 10. MARYVILLE, MISSOURI, TUESDAY, APRIL 6, 1920. NO. 257.

A WEEK OF SHORTHORN SALES HERE

300 SHORTHORNS OF PURE SCOTCH BREEDING TO BE SOLD.

ATTRACT MANY BREEDERS

And Buyers From All Over the United States as Well as a Few From South America Will Be Here.

Ed Davis of the Shorthorn World of Chicago was in Maryville Monday arranging the preliminary advertising for the week of Shorthorn sales to be held in Maryville during the third week in June. During that week more than three hundred Shorthorns of pure Scotch breeding will be sold in this city and the advertising campaign will extend not only all over this country but to countries in South America.

At the suggestion and invitation of Bellows Bros., and Odgen & Son of this city, a number of Shorthorn breeders from surrounding towns will hold their sales here during that week, so as the stockmen can remain here for these sales instead of jumping around from town to town to attend. This will be the largest sale circuit in any one county for any one week during this year. Shorthorn breeders from all over the United States as well as a few from South America will be here to participate in the event.

The sales will open Wednesday, June 16, in the new sales pavilion at the Odgen & Son farm. This pavilion is of hollow tile construction and has every convenience for the accommodation of the buyers and the salesmen.

The sale at the Bellows Brothers pavilion will be held the following day.

Friday morning J. H. Degginger of Albany will present his offering in the pavilion at the fair grounds and the sale of Dr. O. W. Nauman of Craig will be held Friday afternoon at the same place. Saturday afternoon J. H. Crist & Son of Skidmore will offer a choice selection of Shorthorns at the fair grounds pavilion.

The animals that will be placed on sale here from the herds at Albany, Craig and Skidmore will be in Maryville from one to two weeks in advance of the sale.

WRITE FOR DATE WITH MARYVILLE BALL TEAM.

Homer Black, former manager of the Comets base ball team received a letter today from F. R. Green, manager of the Stock Yards team of St. Joseph, asking for a game with a Maryville team on April 11.

Plans are under way to reorganize the Comets for this season and several of the players have already been secured.

RAVENWOOD DEBATING TEAM IN DISTRICT CONTEST

The debating team of the Ravenwood High School will be one of the contestants in the annual oratorical contest of the Northwest Missouri High School Association to be held at the State Teachers College on April 30.

Ravenwood defeated the Richmond team on March 5, thereby winning the distinction of being one of the three undefeated teams in the association debating league. The other two teams are the Excelsior Springs and the Central High School team of St. Joseph.

In order that two teams may be selected for the final contest in the association meeting, an elimination debate will be held. The Central High school team has won one less debate than either Ravenwood or Excelsior Springs and it was decided that Central should choose between the other two teams for the elimination debate. Excelsior Springs was chosen, and the date for this debate will probably be arranged for the latter part of this week.

The debaters for the Ravenwood team are Leslie Powell and Eldon Steiger. The side of the debate which each will take will not be selected until after the Excelsior Springs and Central winning is settled.

SHORTAGE OF PRINT PAPER MORE AND MORE ACUTE

Kansas City Star Along With Other City Papers Reduced Number of Pages.

That the news print situation is serious and getting more and more acute can be seen by reading the following taken yesterday's Kansas City Times:

The shortage of print paper is becoming more and more acute. It is necessary for publishers and the public to co-operate in every possible conservation.

Toward this end The Star will omit from its morning edition going to subscribers outside of Kansas City all want advertisements. The advertisements in the evening edition will not be disturbed and as advertisements run consecutively in The Star and The Times, the out-of town reader will receive in the evening edition every advertisement which appears in the morning edition. The Sunday Star will contain the want ads as heretofore.

This is a measure which The Star believes its readers will endorse in the cause of saving paper. It is to be hoped that paper production will so improve that the old order of twice-a-day insertions may soon be resumed.

Mrs. Paul Ream of Kansas City arrived in Maryville last night to visit her father, Joseph Jackson, and other members of the family.

WILL NOT POSTPONE RURAL MEETINGS

RURAL SCHOOLS WILL GIVE PROGRAMS THURSDAY AND FRIDAY.

SCHEDULE OF MEETINGS

All Arrangements Completed for These Meetings and Good Crowds Expected

The rural school meetings to be held Thursday and Friday of this week will not be postponed according to County Superintendent Bert Cooper. In some places it was thought on account of the snow storm and the bad roads it would be best to put the programs off for a week, but due to the fact the rural schools are to close next week or so it has been decided to go ahead with the meetings.

The teacher whose name is given at the head of each group is the vitalized agriculture teacher whose pupils will demonstrate the vitalized agriculture work in each of the meetings listed below. The teacher's name and address is given opposite the date is the teacher of the school where the meeting is held. DIVORCE DAY IN CIRCUIT COURT

FIVE COUPLES GIVEN RELEASE FROM UNWANTED PARTNERS

ASKS RETURN OF CHILD

Case of Vera Stokes Dearing for Posession of Minor Daughter Heard This Afternoon.

Today was divorce day in circuit court. A decree of divorce was granted Bertha Buzzard from Frank Buzzard and also the restoration of her maiden name as Bertha Hendricks. A decree was also granted Nellie Hamilton from J. Elmer Hamilton and her maiden name of Nellie Woodhouse was ordered restored.

In the divorce case of Mina Gett against Cleco F. Gett, a decree for the plaintiff and also the care and custody of minor children. A decree of divorce was also granted Leona E. Slayden against Lennie L. Slayden.

In the case to construe the will of Roland E. Thomas against Sarah A. Jordan, et al., judgment for plaintiff as per form filed.

In circuit court this afternoon the case of Vera Stokes Dearing for a writ of habeas corpus for the body of Janet Stokes, a minor, against Mollie Waits and C. M. Waits, was taken up before Judge Dawson. This case was sent heer on a change of venue from Holt county. According to the petition, the plaintiff was divorced from her husband, S. B. Stokes, on May 6, 1913, and their daughter, Janet Stokes, then seventeen months old, was placed with C. M. and Mollie Waits, Mrs. Waits being an aunt of the child. The petition stated the arrangement was just temporary and that the petitioner has furnished the child with clothes and such other things as suggested or asked for by the Waits. Mrs. Stokes married T. H. Dearing of Omaha on April 14, 1917 and they lived in Omaha, and are seeking possession of the child so as she can live with them.

Mrs. Stokes is represented by John W. Cooper of Omaha, while the Waits of Craig in Holt county are represented by former Secnator W. E. Stubbs of Mound City.

In the divorce case of Lorkin McMichael against Alice McMichael, motion for attorney fee and suit money was sustained and judgment for the defendant and against the plaintiff for $75 attorney fee, $100 suit money and for $10 per month until further order of the court.

In the divorce case of Anna M. Geiger against George Geiger, attorney fee of $75 and suit money for $25 was allowed the cause was set for Wednesday.

The following cases were continued: Florence Hanna Peterson, et al, against George M. Jones, to set aside will; James Palmer against Russell Sportsman, damages.

FRENCH ARMY NOW ACROSS THE RHINE

TROOPS MOVING INTO GERMAN NEUTRAL ZONE TODAY.

HAS NO HOSTILE DESIGN

Marshall Foch in Charge. Attitude of of French Government Explained in Note Issued.

Paris, April 6.—French troops under orders of Marshall Foch moved swiftly into the German neutral zone today and occupied the five German cities off Frankfort and Darmstadt which were entered at 5 o'clock; Hamburg and Dieburg were entered at 9 o'clock; and the French are under orders to enter Hanau at noon. The German government troops stationed about the five towns retired at the approach of the French according to authentic advices. Traffic on the streets of the occupied cities between 9 p. m. and 5 a. m. is forbidden. Transportation with the rest of Germany has been cut off except for the movement of food. Censorship has been established and newspapers are suspended.

Washington, April 6.—The United States has not made any formal protest against the French occupation of the cities in the neutral zone in Germany, it was officially announced today. This statement followed Secretary of State Colby's refusal to comment on reports that the protest had gone forward. Secretary Colby did not meet the newspaper men in his usual morning conference.

Paris, April 6.—A reign of bloody terror has broken out in the Ruhr district in Germany, according to official advices reaching Paris from Mayence today. The Reichswehr are slaughtering the Reds and taking no prisoners. The civilians known to have aided and sympathized with the Reds are being hanged.

Paris, April 6.—American Ambassador Wallace conferred with Premier Miller and this afternoon upon the advance of the French troops into Germany from the Rhine. Another meeting of the supreme council will be held tomorrow.

Paris, April 6.—The attitude of the French government in the present German crisis is defined and explained in a note issued last night. After reiterating that the government has no hostile designs toward Germany, desiring on the contrary the resumption of normal relations with that country, and expressing realization of the difficult situation of the Berlin government, the note declares that the German government has given way to pressure by the militarist party "not fearing to infringe the imperative and most solemn stipulations of the Versailles Treaty."

ANGUS YEARLINGS AT $13.40, HIGH TOP OF TODAY'S BEEF MARKET.

The following is from St. Joseph Stock Yards Daily Journal:

It has been a common occurrence in recent years for the enterprising farming and stock handling firm of Lowry & Pistole, Nodaway county, Mo., to top the market with their annual shipment of mixed heifers and steers. Today they did not only get the highest price paid here for the yearling class, but also topped the local market for the day on beef cattle, all ages and weights when they disposed of their 2-car consignment of classy Angus mixed yearlings, averaging 894 pounds, at $13.40 a cwt. Lowry & Pistole raise baby beeves each year from their fine herd of Black cows. Last year they topped the Chicago market with their shipment of yearling "Doddies" at $18.25, and the previous year received the top prices at the St. Joseph yards. Altho J. C. Pistole, president of the Farmers & Merchants Bank at Hopkins, Mo., councils with his partner in their live stock and farming activities, Ham Lowry, who accompanied the shipment here today, operates the rural end of the business. For the past several years this concern has been breeding calves for the market and finishing them for shipment at the 1st milestone of their bovine lives. Mr. Lowry says they realize more profit on their stock at that age than feeding them for a year or so longer, and that he was pleased with his sale here today goes without saying.

PARNELL CLUB DEBATED THE LEAGUE OF NATIONS

The Negative Side Won Both Sides Went Deep Into the Question and Much Argument Produced Both Pro and Con.

At the debate given by the Parnell Debating Society of Parnell when the League of Nation question was discussed the discussion was given to the negative. The affirmative was represented by Guy Curry and Harley Nigh, while the negative was championed by George Felton and Fred Messbarger. Both sides went deep into the question and much argument was produced both pro and con. The judges consisting of J. W. Kennedy, Dr. Hiram Day and Ernest Yetter, after some dilliberation rendered a diesision in favor of the negative. Prof. W. I. Lewis acted as chairman during the debate.

The talk on Camp Life by Virgil Spoonemore was very interesting, the vocal duet by Charles Evans and W. I. Lewis was highly appreciated while the humorous part of the program was carried out by Charles Harman. A very attentive and appreciative audience was present and all expressed themselves well pleased with the program.

COME AGAIN TEA ROOM WILL NOT CLOSE SOON.

In answer to many rumors concerning the possibility of the closing of the Come-Again Tea room, the Ladies Aid Society of the Methodist church, South, under the auspices of whom the tea room has been operating, wishes to announce that at a meeting of the Aid Society held Friday afternoon at the church, it was decided to continue the operating of the tea room indefinitely. To operate it during the entire month of April was decided at the meeting and probably for an indefinite period of time after this month, or it is hoped to keep it in operation until its originator, Miss Bertha Beal, who has been ill for several months in Florida, is able to return and take charge of the place. Miss Beal is still quite ill and it is not known when she will be sufficiently recovered to return to Maryville.

FARM BUREAU VOTES ON NOLAN BILL

ACTION FOR REFERENDUM STARTED BY ROY LIPPMAN.

ONE PER CENT TAX LEVY

Proposed Measure Places Tax on All Land Holdings in Excess of Ten Thousand Dollars Valuation.

Members of Nodaway county farm bureau, as well as all members of other farm bureau organization in the United States will vote by referendum this week on a measure that has been introduced into the United States congress, proposing a tax levy of one per cent on the value of all land owned by a person or corporation in excess of $10,000. This bill is known as the Nolan bill and has now been referred to the senate committee on ways and means.

It may be of interest to local members of the Farm Bureau to know that the bringing of this bill to the attention of the farmers of the United States was started by Roy Lippman, secretary of the Nodaway County Farm Bureau. Mr. Lippman came into possession of a circular telling of the proposed measure and forwarded it to Chester H. Gray, president of the State Federation, who in turn sent it on to the president of the National Association—and the National Association sent out the referendum.

The measure provides: "That all persons, firms, associations and corporations owning land in value in excess of $10,000, whether in possession or leased by others, shall be subject to an excise tax upon the privilege of the use and enjoyment of such excess at the rate of 1 per centum."

In all cases where ownship of land comes under the provisions of this act it is the duty of the owners to report to the commissioner of internal revenue, and failure to pay the tax as levied by the commissioner of internal revenue by the first of July following the return a fine of 5 per cent shall be levied and an additional fine of 1 per cent per month for each additional month of delinquency.

The commissioner of internal revenue shall provide blanks for the use of the taxpayer in making his return and these blanks shall contain, among other things, provisions for the following information: "Tracts in which an interest is held and nature and extent of interest, price paid by taxpayer or if he received the same by gift or inheritance the amount paid by his predecessor in interest for the entire tract with its improvements if any, valuation placed upon the entire tract (or lease or interest therein) by taxpayer; offers received by taxpayer for any parcel of such land or interest therein the two previous years; price at which taxpayer within such period has offered land or any part thereof for sale; value of improvements upon such land and price at which improvements have been reckoned in any offer of sale; amount spent by taxpayer or, so far as he knows, any other person in making improvements; net price at which owner would be willing to sell land with or without improvements; assessed value of land for all purposes with separate value for improvements if given separately on tax books.

Such return shall not be conclusive of the value of the land, but the commissioner of internal revenue shall determine therefrom and from such other data as he may obtain the true value of the landholdings of any taxpayer. The returns shall be as of the date of the preceding December 31. It shall be the duty of the taxpayer in the event of the sale of all or part of the land of which he has reported himself the owner, or any assignment of lease thereof within the calendar year, to report the price of same to the commissioner of internal revenue.

The tax constitutes a lein against the land and transfer cannot be made without showing that the tax has been paid.

CURFMAN A DELEGATE TO THE NATIONAL MEETING

Annual Gathering of the National Chamber at Atlanticg City the Last of This Month.

Members of the Maryville Chamber of Commerce are taking a keen interest in the great national gathering of business men to be held at Atlantic City the last of April by the Chamber of Commerce of the United States for discussion of ways of increasing production in the United States.

This increased Production Convention, which will mark the eighth annual meeting of the National Chamber, will go into the very roots of the industrial and commercial situation. Maryville business leaders, along with representative business men in all parts of the country have come to realize that in a stimulation of production lies a way towards stabilization of business and price conditions.

E. C. Curfman has been named as the representative of the local chamber to attend this meeting. Mr Curfman will probably attend this meeting.

Lack of production, business men point out, is one of the primary causes of high prices. Small hope is held out for a reduction in high cost of living until more goods are manufactured and put on the market. Prices have been forced up by competitive bidding.

Even with the exchange situation as it is, threatening reductions in exports to Europe, manufacturers generally believe it will be a long time before production in the United States overtakes the demand for goods. In the meantime producers are faced not only with the task of meeting current demands but also with that of making up in many directions for production lost as a result of the diversion of plants to war work.

Every subject to be taken up at the convention will be treated from the view point of increased production.

To Kansas City.

Mr. and Mrs. L. M. Cox of Kansas City who were guests over Easter of their son and his wife, Dr. and Mrs. Gilbert S. Cox, returned to their home last night. They were accompanied by Dr. Cox and son, Borden who will remain in Kansas City for a few days.

Returns to Baldwin.

Miss Norma Rose of Stanberry left yesterday for Baldwin, Kansas after a visit in this city with her sister, Miss Virginia Rose. Miss Rose is a student at Baker University.

Mrs. Alfred Hayworth and daughter, Viola, and son, Sam, of Sunnybrook have been in Maryville visiting Mrs. Hayworth's father, Hugh Byers.

Fred Curfman and daughter, Lula Mae, returned Sunday night from a short trip to Chicago where Mr. Curfman went on business.
